By Donald Edward Kendall : Dao of Chinese Medicine: Understanding an Ancient Healing Art daoism indigenous religio philosophical tradition that has shaped chinese life for more than 2000 years in the broadest sense a daoist attitude toward life can be the 5 organs network of chinese medicine was written by heiner fruehuf phd; the print version was published in 1998 the 5 organs network of chinese medicine is a Dao of Chinese Medicine: Understanding an Ancient Healing Art:

8 of 9 review helpful Excellent look at the Foundations of Chinese Medicine By nutmegjamie I am a student of Chinese Medicine currently in my second year This book is a huge achievement The author is basically trying to make

the most accurate translation of some of the oldest texts in Chinese Medicine He explains that to be able to make a qualified translation of a Chinese Medical text you must be well versed in the Ch Dao of Chinese Medicine is the first Western text to shed light on the reality of the ancient healing arts of China revealing that Chinese medical theories are based on important physiological findings This is in contrast to the Western interpretation popularized since the 1940s and 50s that Chinese medicine and acupuncture involve undefined energy and blood circulating through imaginary meridians Unfortunately the energy meridian idea condemned Chinese m All in all the contribution of this book to the study of medicine is great Focus on Alternative and Complementary Therapies
