(Newbery Honor Book):

2 of 2 review helpful is a much better history of the 1793 Philadelphia yellow fever epidemic By Dora A Smith
Interesting in spots but I must have taken no more than two pages of notes on the entire book There is historical detail in there if you have the backstory knowledge to ferret it out from between the lines Frankly the novel Fever 1793 by Laurie Anderson is a much better history of the 1793 Philadelphia yel 1793 Philadelphia The nation s capital and the largest city in North America is devastated by an apparently incurable disease cause unknown In a powerful dramatic narrative critically acclaimed author Jim Murphy describes the illness known as yellow fever and the toll it took on the city s residents relating the epidemic to the major social and political events of the day and to 18th century medical beliefs and practices Drawing on first hand a From School Library Journal Grade 6 10 If surviving the first 20 years of a new nationhood weren t challenge enough the yellow fever epidemic of 1793 centering in Philadelphia was a crisis of monumental proportions Murphy chronicles this frightening time wit
