By James Wynbrandt : The Excruciating History of Dentistry: Toothsome Tales & Oral Oddities from Babylon to Braces The Excruciating History of Dentistry: Toothsome Tales & Oral Oddities from Babylon to Braces:

1 of 1 review helpful Ouch Oh Please Stop I m Dying A History of Dental PAIN By kone This is probably a book that will only appeal to people in the dental profession historians and sadomasochists The author does a nice job of describing the excruciatingly painful history of dentistry With the advent of processed sugar first extracted from sugar cane grown in the Caribbean Islands and then transported world For those on both sides of the dreaded dentist s chair James Wynbrandt has written a witty colorful and richly informative history of the art and science of dentistry To all of those dental patients whose whine rises in tandem with that of the drill take note You would do well to stifle your terror and instead offer thanks to Apollonia the patron saint of toothache sufferers that you face only fleeting discomfort rather than the disfiguring distress or slow From Publishers Weekly Not a dentist by profession but a humorist Wynbrandt brings an irreverent approach to the seemingly colorless topic of dentistry All the names and dates of important discoveries and advances in dental practice are here but they are deli
