Drugs were bad and I also knew they must have something to do with the School shooting but not until I read Peter Breggin's book did I realize how harmful they really are. I work in a Nursing Home as a nurse and give out all the meds mentioned in his book. These are old people and they have already really s In Medication Madness psychiatrist Peter R Breggin M D describes how people taking psychiatric medication can experience abnormal behavioral reactions including suicide violence emotional breakdowns and criminal acts Dr Breggin explains his concept of medication spellbinding individuals taking psychiatric drugs may have no idea whatsoever that their mental conditions are deteriorating and that their actions are no longer under control He proves h ldquo Following his landmark book Talking Back to Prozac psychiatrist Breggin follows up by arguing against what he calls the lsquo spellbinding effects of psychiatric medications and he doesn't mean lsquo spellbinding as praise His point is tha
