0 of 0 review helpful Five Stars By Customer A fun read 1 of 1 review helpful Open wide and say I had no idea a book about dental school would be so funny By Victim of circumstance Forget all the self help books and how to survive

dental school guides this is the real deal Minimal advice just the straight hilarious depressing mediocre stupendous facts This book is about a slightly fictionalized account of my life in dental school inspired by actual events Embellishments of strange happenings were unnecessary because human foibles ran rampant However all names and places have been changed so as not to embarrass the guilty inept and downright scurvy The stories are retold in a series of vignettes which best captured my mood at the time These mostly bizarre and anguishing tales are set amidst a sea of often abs
