By Kathryn Senior : You Wouldn't Want To Be Sick In The 16th Century! (Turtleback School & Library Binding Edition) You Wouldn't Want To Be Sick In The 16th Century! (Turtleback School & Library Binding Edition):

1 of 1 review helpful Great illustrations and an interesting way to teach history By Carole P Roman Love this series This is the second book I have read in the series and is a great catalyst that can lead to many discussions for them to learn the how s and why s that shaped our present world Kids love guts and gore and with this book the whole 16th century becomes way more interesting The illustrations are humorous an FOR USE IN SCHOOLS AND LIBRARIES ONLY A humorous look at the state of illness and medicine in Tudor England informative books packed full of the

facts students often seek While these books cover material included in other titles their approach to history will be extremely popular with students who relish a bit of blood and guts along with their historical fac
