Of A Woman's Work:

When Mollie Babcock stepped off the train in Salt Lake City Utah in 1890 she knew she had to start a new life She d left her husband and their medical practice in Iowa and with only a few hundred dollars in her pocket and a great deal of pride she set out to find a new position as a physician She was offered a job as doctor to the miners at Bannack Montana and thus began her epic adventures in the Rocky Mountain West The true story of a m
