**By Kathi Jackson : They Called Them Angels: American Military Nurses of World War II** in manila at the outset of world war ii us army and us navy nurses were stationed at sternberg general hospital in manila and other

military hospitals around manila mildred dalton manning was among the army and navy nurses of world war ii known collectively as the angels of bataan and corregidor when the japanese were They Called Them Angels: American Military Nurses of World War II:

0 of 0 review helpful Battlefield Angels of Mercy By Pvt W G Kirby Customer Very readable coverage of WWII military nurses and all they faced endured and accomplished and survived Lots of oral history entries as well as text drawn from contemporary letters home and diaries Photos are not historical in nature more personal snapshots stuff Stories are moving and important for younger folks to have access to ra With the insight and intimacy of firsthand accounts from some of the thousands of army and navy nurses who served both stateside and overseas during World War II this book tells the stories of the brave women who used any and all resources to save as many lives as possible Although military nurses could have made more money as civilians thousands chose to leave the security of home to care for the young men who went off to war They were not saints but vibrant wo Jackson re creates the spirit of adventure and volunteerism and the feelings of pride and patriotism of these military nurses through their own reminiscences mdash Journal of Military History
