By Sharla M. Fett : Working Cures: Healing, Health, and Power on Southern Slave Plantations (Gender and American Culture)

a abramelin oil or oil of abramelin quot;abramelin oilquot; also known as quot;oil of abramelinquot; is a magical oil mixture written about by quot;abraham the jewquot; in the medieval on october 30 1977 in rockville center new york two internationally known authorities debated the subject of mental illness dr thomas szasz held the position Working Cures: Healing, Health, and Power on Southern Slave Plantations (Gender and American Culture):

1 of 1 review helpful What a wonderful work By nbrhdBOOGIEman Fett s work is clearly deeply rooted in the archives as she gives us a nuanced depiction of health and well being on 19th century plantations in the VA tidewater and SC low country While health and well being were clearly a means to an economic end for the slave holder Fett also shows how healing as a form of African cultural retention was a means of resista Exploring the charged topic of black health under slavery Sharla Fett reveals how herbalism conjuring midwifery and other African American healing practices became arts of resistance in the antebellum South Fett shows how enslaved men and women drew on African precedents to develop a view of health and healing that was distinctly at odds with slaveholders property concerns While white slaveowners narrowly defined slave health in terms of soundness for From Library Journal In this work which is based on her 1995 Rutgers University dissertation Fett assesses slave health and medical care in the U S South She portrays slave society as a culture that developed its own healing methods while subject to abuse
