Michelangelo: The Life & Art of Frank H. Netter, MD:

0 of 0 review helpful If you already know Netter you ll be interested in this book otherwise skip it By Scott Bolton I love Frank Netter s drawing and they were an intimate part of my training and subsequent medical practice I had been on the lookout for a Netter biography for a long time and was ecstatic when I finally found one As a Netter fan I found this book interesting although I m not sure it would appeal more Medicine rsquo s Michelangelo is a remarkable and first major biography of Frank H Netter MD written by his daughter Francine Mary Netter She captures the character of the man and tells his life story using not only her remembrances but also Frank Netter rsquo s own autobiographical notes personal correspondence and private files publications of his work and public archives and more than 100 interviews with family members artists distinguished practitioners and About the Author Francine Mary Netter is the daughter of Frank H Netter MD She grew up on Long Island where her father had a large art studio in the family home She spent many hours with him there while he drew and painted his magnificent pictures She has
