Commentaries:

4 of 4 review helpful Mandatory Study for Any Serious Chinese Medicine Herbalist By Benjamin Franklin This is the only really useful English language translation of the SHL written by people with a command of both Classical Chinese and English And if you study it you will find it immediately clinically useful esp if you already have some experience How many USA or for that matter Chinese Japanese or Korean h The Shang Han Lun On Cold Damage is among the oldest surviving the most copiously annotated and the most revered of China s traditional medical texts Of all of China s early medical classics the Shang Han Lun is undoubtedly the one with the greatest relevance to the modern practice of Chinese medicine and the one most deserving of Western attention It was the first book to attempt to incorporate medicinal therapy into the medicine of systematic correspondence Language Notes Text English translation Original Language Chinese
