approaches Dentistry'S Business Secrets: Proven Growth Strategies For Your New Or Existing Practice:

1 of 1 review helpful This fantastic book is filled with valuable knowledge much needed to empower dentist to start their own practice in today's economy. By reading this book you will learn the business side of dentistry from a dentist with many years of experience in the field and you will learn what you did not learn while in dental school but should have. After reading this book I was motivated inspired. Whether you are a new dentist opening your first practice or an experienced dentist looking to take your current practice to the next level Dr Edward Logan's new book on dental practice growth will help you achieve your goals. Written by a dentist for dentists Dentistry's Business Secrets reveals the vital business truths Dr Logan perfected while growing three successful dental practices from scratch. If you desire to maximize your practice value in the most efficient way possible. If you are a dentist who is ready to seriously grow your practice Dentistry's Business Secrets will certainly help you reach your goals. We consider this book a MUST READ for anyone in our profession. The Madow Brothers De
