10 of 10 review helpful The explanations helped me clarify concepts By Suki Kim The book of questions and

explanations is excellent I did well in Bio in college but this practice was very helpful Spend time to read the explanations as this is where many good concepts can be applied to answering the question and in general to answering other questions with similar concepts Told my friends about this book 11 of 11 DAT Biology best seller From the Author Scoring well on the Biology portion of the DAT is important for admission into dental school nbsp To achieve a high score you need to develop skills to properly apply the knowledge you have and quickly choose the correct answer nbsp You
