By Alain Touwaide : A Census of Greek Medical Manuscripts: From Byzantium to the Renaissance (Medicine in the Medieval Mediterranean) A Census of Greek Medical Manuscripts: From Byzantium to the Renaissance (Medicine in the Medieval Mediterranean):

Manuscripts containing Greek medical texts were inventoried by author and work at the beginning of the 20th century by a group of philologists under the direction of Hermann Diels Useful as it was and will continue to be ndash Diels rsquo catalogue omitted authors and works misidentified manuscripts and overlooked codices Furthermore since the publication of the catalogue some libraries have adopted a new system of classification manuscripts have been dest Having followed for several decades though episodically Alain Touwaide s painstaking and time consuming investigation I can witness to the perseverance with which he performed and completed his endeavor Now having carefully and patiently read his impress
