**By David S. Jones : Broken Hearts: The Tangled History of Cardiac Care** there is a reason why abusers and controllers will start the grooming process for any type of abuse on young children the funny thing about seeing all of netflixs defenders fighting together is that when you think about it they all kinda have a variation of the same archetypical Broken Hearts: The Tangled History of Cardiac Care:

1 of 1 review helpful Great information on the evolving understanding of heart attacks By P Friel I learned a great deal about our evolving understanding of heart attacks from this book It is well written and well documented The vested interests in cardiology and industry are explained very well This book gives a very different explanation of heart attacks than the compelling documentary The Widowmaker which is narrate Still the leading cause of death worldwide heart disease challenges researchers clinicians and patients alike Each day thousands of patients and their doctors make decisions about coronary angioplasty and bypass surgery In Broken Hearts David S Jones sheds light on the nature and quality of those decisions He describes the debates over what causes heart attacks and the efforts to understand such unforeseen complications of cardiac surgery as depression
