By Emily K. Abel : The Inevitable Hour: A History of Caring for Dying Patients in America my words are gonna linger the art of personal history ed by paula stallings yost and pat mcnees with a foreword by rick bragg a great gift for that person The Inevitable Hour: A History of Caring for Dying Patients in America:

2 of 2 review helpful Thoroughly Researched Easy Read By JessB Emily Abel dives in deep into the history of how dying patients were cared for in the late 1800s and into the mid 1900s She appears to have researched this very thoroughly the endnotes take up as much space as a chapter There are small anecdotes throughout the book but at the end she focuses in on two prominent historical characters which seemed like an odd At the turn of the twentieth century medicine's imperative to cure disease increasingly took priority over the demand to relieve pain and suffering at the end of life Filled with heartbreaking stories The Inevitable Hour demonstrates that professional attention and resources gradually were diverted from dying patients Emily K Abel challenges three myths about health care and dying in America First that medicine has always sought authority over death A powerful assessment of medicine's involvement with death and dying a history highly recommended for any medical or ethical issues holding Midwest Book Few libraries specializing in the history of medicine will not find this a valuable
