By Irwin W. Sherman : The Power of Plagues plagues of babylon is the eleventh studio album by american heavy metal band iced earth released in january 2014 the album is the groups first studio release with read about the 10 plagues that were inflicted to relieve the jews from slavery The Power of Plagues:

0 of 0 review helpful Four Stars By Lei Zhang good 0 of 0 review helpful The Power of Plagues By DS This is simply

one of the best books I've read in the last five years Presentation of the various plagues is made in such a way as to be engaging to both the medical professional and to some extent also the lay reader Sherman's timeline format A fascinating examination of epidemic diseases within a historical context bull Describes the nature and evolution of diseases bull Explains how scientists discovered the causes of infectious diseases and outlines how controls were developed bull Examines the interrelationship between plagues and culture and details the ways this shaped the traditions and institutions of Western civilization bull Highlights current epidemics such as AIDS
