Avicenna Canon of Medicine Volume 4: Systemic Diseases, Orthopedics and Cosmetics:

0 of 0 review helpful Avicenna on Diagnosis etc By Najma I found one of the most important chapters of this long awaited English translation to be that entitled On Diagnosis According to all reports on the practical work of Avicenna this is what he excelled at As a practicing counselor it was most helpful to me The other chapter that offered me the most insight into possible modern day application was his entire sec Volume 4 of the Canon contains seven parts Part 22 On Dysfunctions in Various Parts of the Body Avicenna gives a detailed analysis of the pain that comes from various physical dysfunctions Part 23 On fevers is a famous section often published on its own in the Latin translation Part 24 On Diagnosis Based on Symptoms includes a discussion on what a medical crisis is and how to deal with it Part As the definition of integrative includes alternative it is interesting to note what about Avicennian Integrative Medicine is similar to the major alternative medicines First the similarities with certain practices of alternative medicines and then a glance
