found by smithsonian Medieval Islamic Medicine:

0 of 0 review helpful Five Stars By Gergana Very interesting and well written Ook 4 of 8 review helpful New understanding of Islam influence By Doris Conway I read this book because even though a lay person I have a great deal of interest in medicine and medical history as well as theology and philosophy I m working on learning and understanding more about Islam and The medical tradition that developed in the lands of Islam during the medieval period c 650 1500 has like few others influenced the fates and fortunes of countless human beings It is a story of contact and cultural exchange across countries and creeds affecting many people from kings to the common crowd This tradition formed the roots from which modern Western medicine arose Contrary to the stereotypical picture medieval Islamic medicine was not simply a condui The authors take a fresh approach and offer imaginative conclusions ISIS Without question this volume can be considered the best and most critical introduction to the field and a guide for future research Anyone interested in the history
