By J. Robert, Dds, Ms Newland : Oral Hard Tissue Diseases: A Reference Manual Fro Radiographic Diagnosis (Lexi-Comp's Dental Reference Library) Oral Hard Tissue Diseases: A Reference Manual Fro Radiographic Diagnosis (Lexi-Comp's Dental Reference Library):

0 of 0 review helpful Terrible radiographs By LadyJ2424 I ordered this book hoping to have a reference for

radiographic findings that I needed a little reminder about The radiographs in this book are terrible quality They are copies of film radiographs that just look out of focus and the contrast is poor The information that accompanies each section is pretty rudimentary and some of it was oversimplified or wrong Th Oral Hard Tissue Diseases 3rd Edition is designed as a quick reference manual for the visual recognition and diagnosis of common bone lesions Each tabbed section is devoted to a specific diagnostic category of lesion and illustrated with black and white images of typical radiographic features This manual includes over 150 high quality radiographs with each lesion illustrated by one or more images depicting typical features and common variations Recommendations for
