Dentistry:

The new edition of this essential revision book has been expanded and updated to include a wealth of new material making it an excellent revision aid for dentistry students of all levels. Authored by experienced academics and organised by key subject areas, this book is the perfect tool to help build confidence and prepare for multiple choice question examinations. The new edition includes Over 400 questions. Subject based chapters providing a focused revision plan. This book is an excellent aid for preparing for MCQ based assessments including those in an e-Assessment format. The clear and precise answers allow students to reflect upon their knowledge, aiding both their learning and exam performance. Kevin Davey Clini
