1 of 1 review helpful Poorly written By Customer I will be beginning dental school in a few months and purchased this textbook to expand my knowledge of diseases affecting the pulp of a tooth and endodontic surgery To my dismay nearly every sentence contains a grammatical error of some sort However renowned the Indian authors of this textbook may be their command of the English language would not be acceptable for a co The scope of the third

edition of this book is as earlier to be simple yet comprehensive Textbook of Endodontics that serves as an introductory for dental students and a refresher source for general practitioners The book attempts to incorporate most recent advances in endodontics while at the same time not losing the sight of basics therefore making the study of endodontics easier and interesting Key Features Extensive and pointwise coverage of the subject in simple About the Author Nisha Garg MDS Conservative Dentistry and Endodontics Reader Sri Sukhmani Dental College and Hospital Dera Bassi Punjab India Amit Garg MDS Oral and Maxillofacial Surgery Consultant Oral and Maxillofacial Surgeon Faridabad Haryan
